

# Call for Posters with Speaker Opportunity New – only at ELRIG Drug Discovery 2013

ELRIG wish to invite the submission of poster abstracts for the forthcoming 7<sup>th</sup> Annual Drug Discovery event to be held in Manchester Central , UK September 3-4<sup>th</sup> 2013.

Submission deadline 1<sup>st</sup> July 2013, submit your Poster via e-mail to [posters@elrig.org](mailto:posters@elrig.org)  
For Poster Abstract Template .....[Click Here](#)

This year we provide 4 great reasons to participate:

- (1) Exposure to 1000+ delegates focussed on Drug Discovery
- (2) Poster Tasters - for those wishing to participate a subset of abstracts will be selected for a short 10' oral presentation within the main Symposia sessions – an excellent opportunity to showcase your science
- (3) Fully funded trip to SLAS meeting (San Diego January 2014) for best Poster (**Young Scientist**)
- (4) Additional prize for Delegate-voted Best Poster

--ooOoo--

Poster abstract submissions are encouraged on all science-based Drug Discovery relevant topics. Abstracts falling into the themes of the 8 symposia sessions will be considered for the new **Poster Taster presentation slots** – please indicate in your submission e-mail if you do **not** want to be considered for a short 10' oral presentation. Decisions regarding acceptance of poster abstracts and or selection for the Poster Tasters will be communicated via e-mail in mid-July.

- (1) Target & Biomarker Identification & Validation
- (2) Advanced Cell Technologies
- (3) In Vitro DMPK & Safety Screening
- (4) Macromolecules as Therapeutics
- (5) Innovations In Assay Development & Screening
- (6) Science Led Sample Management – '*Putting the horse before the cart*'
- (7) Oncology Drug Targets – '*Where Next?*'
- (8) Macromolecules as Tools for Discovery & Target Validation
